## Do I Qualify?

Here are the ways your household can qualify for the Affordable Connectivity Program (ACP):

- Based on your household income
- If you or your child or dependent participate in certain government assistance programs such as SNAP, Medicaid, WIC, or other programs
- If you or anyone in your household already receives a Lifeline benefit

# <https://www.affordableconnectivity.gov/do-i-qualify/>

## Based on Your Income

You are eligible for the ACP if your income is 200% or less than the Federal Poverty Guidelines (see the table below). The guideline is based on your household size and state.

The table below reflects the income limit by household size, which is 200% of the 2023 Federal Poverty Guidelines.

Household Size	48 Contiguous States, D.C., and Territories	Alaska	Hawaii
1	\$29,160	\$36,420	\$33,540
2	\$39,440	\$49,280	\$45,360
3	\$49,720	\$62,140	\$57,180
4	\$60,000	\$75,000	\$69,000
5	\$70,280	\$87,860	\$80,820
6	\$80,560	\$100,720	\$92,640
7	\$90,840	\$113,580	\$104,460
8	\$101,120	\$126,440	\$116,280
For each additional person, add:	\$10,280	\$12,860	\$11,820

## If You Participate in Certain Government Assistance Programs Such As SNAP, Medicaid, WIC, or Other Programs

**Federal Assistance Programs** -- You are eligible for the ACP if you (or someone in your household) participate in one of these programs:

- Supplemental Nutrition Assistance Program (SNAP), formerly known as Food Stamps
- Medicaid
- Special Supplemental Nutrition Program for Women, Infants, and Children (WIC)
- Supplemental Security Income (SSI)
- Federal Public Housing Assistance (FPHA) (including Housing Choice Voucher (HCV) Program (Section 8 Vouchers), Project-Based Rental Assistance (PBRA)/202/811, Public Housing, and Affordable Housing Programs for American Indians, Alaska Natives or Native Hawaiians)
- Veterans Pension and Survivors Benefit
- Free and Reduced-Price School Lunch Program or School Breakfast Program, including at U.S. Department of Agriculture (USDA) Community Eligibility Provision schools
- Received a Federal Pell Grant in the current award year
- You may need to show a card, letter, or official document as [proof that you participate](#) in one of these programs when you apply ACP.

## Tribal Assistance Programs

If you live on qualifying Tribal lands, you are eligible for the ACP if your household income is at or below 200% of the Federal Poverty Guidelines, or if you (or someone in your household) participate in:

- Any of the federal assistance programs listed above
- Bureau of Indian Affairs General Assistance
- Head Start (only households meeting the income qualifying standard)
- Tribal Temporary Assistance for Needy Families (Tribal TANF)
- Food Distribution Program on Indian Reservations

<https://www.affordableconnectivity.gov/do-i-qualify/>

## If You Already Receive a Lifeline Benefit

Lifeline is a [Federal Communications Commission program](#) to help make communications services more affordable for low-income consumers. If you currently receive a Lifeline benefit, you automatically qualify for the ACP, and you can receive both benefits at the same time. You can apply your ACP benefit and your Lifeline benefit to the same or separate services. Talk to your internet company to learn how to start receiving ACP discounts.

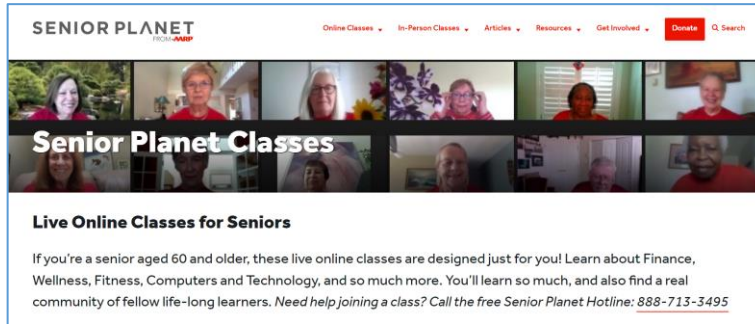

## Qualify Through Your Child or Dependent

Any member of your household can make your household eligible if they participate in one of the programs above. For example, if your child or dependent participates in the Free and Reduced-Price School Lunch Program or is enrolled in a USDA Community Eligibility Provision school, your household qualifies for the ACP benefit.
