

Digital Compass: Technology Support for Older Adults on Martha's Vineyard

Your guide to the digital world! Find local technology support services tailored for Martha's Vineyard Older Adults.

IT Services for Older Adults:

Call a Tech Pro!

This program offers one on one IT support to Older Adults in their homes. It is grant funded and free to users. To access these services, simply stop by any Council on Aging on island and ask to fill out a participation agreement. Once submitted, an IT specialist will reach out and schedule a home visit to help address your technology needs.

Tech Support Sessions

Technology Support in a group setting is available at the Oak Bluffs, Vineyard Haven, and West Tisbury Councils on Aging. See below for current schedule (as of 11/20/2024)

Tisbury Senior Center: Tuesdays at 11:00am

Up-Island Council on Aging (Howe's House): Thursdays at 11:00am

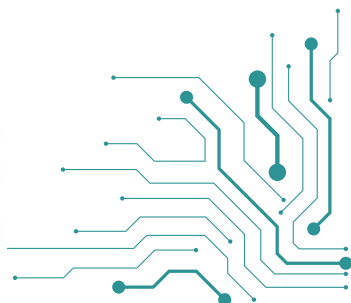

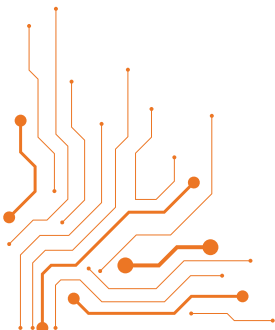

Oak Bluffs Council on Aging: Fridays at 11:00am

It is recommended that you call the COA prior to stopping by for a tech session, see contact information on back of this page

Libraries

Many libraries offer one on one IT assistance and other IT support. Call your local library to ask about current IT support offerings. See directory of libraries on the back of this page.
