

**We believe  
to enrich the  
life of anyone  
who is 65+  
is to enrich  
the very fabric  
of our Island  
community.**

We exist to promote healthy aging  
with education, advocacy, and  
initiatives designed to enhance  
the safety, mobility, and independence  
of anyone who is aging on any main  
street or dirt road of Martha's Vineyard.
